# This Is the Automatic ---The Electric Range

--- That Cooks While You Sleep! --- That Cooks While You're Out!

of the age.

--- That Cooks Without Waste! It is the model cooking appliance

> It does the cooking quickly, satisfactorily and economically, using electricity for fuel, which is as effective as it is clean and safe.

If you are modernizing your home -or if you are planning to buildyou should by all means investigate the numerous advantages of the modern electric range.

Our Demonstrator will give you many interesting facts concerning the use of electricity for cooking, or you can see the Electric Ranges and get full particulars at any electrical supply store in the city.
